ORDER DENYING REQUEST

The Court has received the Request for Clarification and Motion for Hearing filed by intervenor William E. Williams.

The Court notes that the Motion does not reflect service on all interested persons and parties. The Court also notes that due to the extensive amount of information, the change in defense counsel, and litigation involving the assignment of a judge, most matters have been held in abeyance until Monday, April 11. The Court will now review the file, consider unresolved matters, and set hearings and oral argument as necessary.

Finally, the Court notes that both cause numbers are currently active.

As the Superior Court is resolving the pending issues relating to unsealing of records as soon as practicable,

IT IS ORDERED denying the request for a hearing.

DATED this 20th day of April, 2011.
